FINAL MINUTES OF THE PUBLIC MEETING
BOARD OF SELECTMEN
Meeting held on the 13th of January 2011**

Board members present: J. Kieley, T. Petro, M. Darnell

Call to Order by J. Kieley at 5:08 p.m.

1. Subject: Steve Andersen, Chair of the BAC, met with the Board to review 2011 budget information. The BAC had met with the Road Agent and recommended lowering the asphalt and paving line item by \$20,000 and putting that money into the expendable trust. The Board thought the \$20,000 should stay in asphalt and paving as it is likely most of the \$80,000 recommended would be used to rebuild Mansfield Road. Kieley informed Andersen that the BOS is recommending 2% COLAs for those employees who normally work 15 hours/week or more. Andersen informed the Board that the BAC will meet two more times before the February 5, 2011 budget hearing.
2. Subject: The Board reviewed a letter from Vince Mamone regarding the 250th Anniversary Fund. The only application received in 2010 was from the Library for new furniture for the reading room. As the three members of the Committee for disbursing the 250th Anniversary Fund money are also associated with the Library the Committee wanted the Board officially notified that the money would be disbursed to the Library. The Board approved this disbursement.
3. Subject: Reviewed and signed the 2011 agreement with Total Notice, LLC for deed researching for tax liens and tax deeding.
4. Subject: Reviewed information on RSA 261 regarding "transportation tax". The Board determined that it would not add a "transportation tax" to vehicle registrations.
5. Subject: Discussion of possible warrant articles for the 2011 warrant. Kieley explained that the CIP Committee may be presenting articles for capital reserve funds for the Highway Department dump truck. The Board also discussed possible CRFs for Temple's share of police cruisers and ambulances. The Cemetery Trustees may present an article for a Cemetery CRF in the amount of \$5,000.00. The proposed work for the office and furniture may be \$15,000.00 to \$20,000.00. The Board was in agreement that it would support a warrant article for the office, as they need to consider the safety of employees.
6. Subject: Move by Kieley to approve the 12/29/2010 minutes as written, second by Darnell and voted in the unanimous affirmative.
