

Approved Minutes of The Temple Renewable Energy Task Force Remote Meeting on Monday, April 27.

The meeting was called to order at 6:40 PM.

Attendees were Chairman Rob Wills, Thom Whitcomb, Deb Delso, Bev Edwards and the meeting's guest, Henry Herndon, Director of Local Solutions at Clean Energy NH.

In response to the Task Force's invitation, Mr. Herndon provided the committee with an understanding of what is involved for towns interested in establishing Community Power for the electricity needs of their community, including residents and businesses.

He presented a slide show along with his explanations of the various options available for utilizing this new opportunity in NH for towns to attain greater local control of their community's electricity costs and sources, including price shaving through bulk purchasing and the potential to aggregate with other towns under larger bulk purchasing agreements.

After his presentation and a lengthy question and answer period, the meeting was adjourned at 8:30 PM.

The next meeting was scheduled for May 18.
