4:30 PM, 29 January 2020, Town Hall Annex

BAC Attendees: Gary Scholl (Chair BAC), Gail Cromwell (BAC), Christine Robidoux (BAC), Mike

Darnell (BAC), John Kieley (BAC)

Absent: Steve Concordia (BAC), Ken Caisse (BAC/SB)

Also in Attendance: Bill Ezell (Select Board)

Meeting called to order at 4:30 PM

Resolve/Update Budget Line Items

Cromwell presented a summary of the CIP Warrant articles totaling \$262,265, which will bring the total budget up to \$1,495,681. This is an increase of about \$50,000 over last year. Ezell noted this does not include other warrant articles.

Kieley suggested that we need to be aggressive line by line to try and reduce the overage.

Scholl noted that all expenditures appear to be accounted for and resolved in the appropriate line items.

Ezell shared that the Select Board will have a special meeting to review and implement bookkeeping procedures in 2020.

Executive/Select Board

- Reduce Professional Services to \$1500
- There will be a Right-to-Know Law training session with NHMA this year. Recorded under Training Seminars.
- Postage will be consolidated under Town Administration
- Contingency Line to \$1. Usually used for gifts.

Town Administration

- Telephones consolidated under Town Administration, Budget \$5000
- Overtime to \$1
- Reduce Copier Maintenance to \$750
- Dues and Subscriptions includes items that should be elsewhere in the budget.
- Remove Books & Periodicals line
- Reduce Office Equipment to \$200

Financial Administration

Discussion of Office Items requested by Treasurer. BAC recommends \$2000 for 2020, with further research, review and discussion of additional items for 2021 budget. Select Board and

4:30 PM, 29 January 2020, Town Hall Annex

BAC recommend Treasurer purchase scanner (\$300) plus bank service charges for use of the scanner to deposit checks (\$75/month = \$900), in addition to the furniture requested.

Further discussion of whether QuickBooks costs should be recorded under Financial Administration. It is currently charged under Data Processing Software.

Animal Control

Discussion of how Wages are tracked and whether or not an adjustment needs to be made. Animal Control office Rheume reports that she bills monthly, with December bills paid in January. BAC and Select Board recommend continuing with the way she is currently reporting to be consistent. Rheume in agreement. Caisse will confirm with Brenda to be sure this will not affect taxes.

Rheume reports that she had 75 calls in 2018, and a sharp increase to 110 in 2019. Calls are unpredictable from year to year.

<u>Information Systems/Data Processing</u> seems low. Scholl will research.

Tax Collector

- Discussion of request to increase Deputy Tax Collector Wages to \$800 made by Tax Collector. Select Board will discuss, BAC will keep at \$300 unless we hear otherwise.
- BAC will review Postage for Tax Collector. Reduce to \$900.
- Abatements still includes \$22,000 for utility pole settlement. Next year that number will go down to \$11,000.

Salary Increases for Town Employees

Discussion of town employee wages. Ezell reports that the Select Board discussed but did not have figures on hand. Ezell will get information to Scholl to update spreadsheet prior to Budget Hearing next week.

Personnel Administration

- Health Insurance can be reduced by \$7500 due to Highway Dept being short one staff person. BAC recommends \$65,820. Ezell noted that the Select Board is considering an Opt-In policy on Health Insurance.
- Unemployment Compensation reduced to \$400 due to a credit received (E-mail attached).

4:30 PM, 29 January 2020, Town Hall Annex

Planning Board

- E-mail request received last week from Pickman for funding to update Tax Maps. Select Board and BAC recommend not doing it this year. No estimates were presented, and request was received late in the budget process. It is unclear where Tax Maps costs are tracked in the Budget. Further research needed.
- Reduce Postage to \$100.
- Reduce Recording Wages to \$1500 since the position is still open.

Zoning Board

• Reduce Recording Wages to \$300 since position is open.

Government Buildings and Land

- Municipal Building Electricity reduced to \$2900.
- Check balance of Municipal Building Propane Tanks, when were they last filled?

Discussion of Municipal Building Repairs and Maintenance. BAC and Select Board reached an agreement to do some repairs this year, but not full \$11,500 worth of repairs. No bids or estimates were received for consideration, nor has there been a scope of work presented. Caisse reports rot around several window sills & fire department garage doors, rusted heating grills and baseboard covers, and he would like to install a crash bar on the back door. The front of the building also needs to be painted.

- Kieley will get estimates on most urgent exterior municipal building repairs and report back to the committee.
- Scholl will review annual maintenance expenditures to be sure we budget enough to cover them (Pest Service, Security, Furnace and Generator maintenance, others?).
- Placeholder of \$6000 until further information is received.
- BAC recommends Select Board approach CIP for 2021 repairs if they are major.
- Town Hall Repairs and Maintenance reduced to \$5500 per Advisory Committee.
- Other Properties Repairs and Maintenance should be \$4000 and Other Property Miscellaneous should be \$1 (swap lines).

Police Board meeting on Monday, however budget should not change.

Discussion of **Ambulance** Budget

 BAC notes that the Ambulance budget presented by Wilton does not account for call volume, as per the contract (see attached). If we pay according to the contract, there would be a savings of about \$17,000.

4:30 PM, 29 January 2020, Town Hall Annex

- Caisse reports that the meeting to discuss the contract dispute schedule for this past Monday was canceled.
- Discussion of options if we opt not to pay amount presented and pay the amount based on the contract.
- It is possible that the town will not approve the budget in March if the amount is not adjusted to reflect call volume.
- Is it possible to contract with Peterborough mid-year if we cancel the contract with Wilton or Wilton cancels the contract with Temple?
- BAC suggests approaching Wilton to discuss further. Ezell agreed to contact Wilton to get on the agenda for their next meeting. Caisse and Willard offered no opposition to this plan. BAC will await confirmation of meeting from Ezell.
- BAC and Select Board agree to present budget at public hearing at the contract amount (\$40,200) rather than the amount requested by Wilton Ambulance (\$56,097.63).

Highway Department

- Reduce Labor line by \$3520 due to staff shortage, total now \$143,620.
- The **Admin** position has been eliminated per Road Agent (\$1875).
- The **Subcontractor Snow Related** line is not being reduced as planned (due to backhoe purchase in 2019) because Highway department is short staffed. Subcontractors brought in must use their own vehicles due to insurance requirements.

BAC will request **Library** trustees cut their bottom line by \$2,000. Trustees have sole oversight of line items, while Select Board can set the bottom line.

Patriotic Purposes American Flags increase to \$150 for two flags.

After review and changes, budget stands at 1,447,834 (assuming Ambulance contract amount of \$40,200).

No significant changes expected in revenue in 2020. It was noted that there was a significant increase in NHPDIP income due to Treasurer's diligence with managing funds.

Review of Minutes from Jan 22 2020 meeting.

- BAC Chair acknowledges that protocol was not followed for a non-public meeting.
- After reviewing the RSA's for a non-public meeting, Scholl believes a non-public meeting would not have been justified.
- Darnell requested that committee minutes reflect specificity regarding the incident that occurred at the Jan 15 meeting which led to the Jan 22 discussion around respectfulness.

4:30 PM, 29 January 2020, Town Hall Annex

At the meeting on Jan 15, Caisse and Cromwell got into a heated exchange. Caisse used profanity directed at Cromwell. Cromwell excused herself from the meeting, later Caisse apologized to the remaining members for his behavior.

At the Jan 22 meeting, Darnell stated that he found the swearing during the previous BAC meeting unacceptable. He stated that type of language has no place in an official meeting, especially by elected officials that represent the town.

From the Jan 22 Meeting Minutes:

"Prior to adjourning, Chairman Scholl led a brief discussion of expectations for respectfulness and misdemeanor in BAC meetings."

The Jan 22 minutes were approved with agreement to document the incident in the minutes of this meeting, Jan 29.

Motion to adjourn at 7:01 PM. Unanimous approval.

Subject: Re: Planning Board Budget.

Allan should be asked for the list of changes that would be required on the tax maps. Since we did the last update, I recall that the company told us they would no longer do paper maps. This might affect the cost. I believe the last cost was \$1980.

Reply-To: ALLAN PICKMAN <apickman@comcast.net>

Gary

We need to update the tax maps this year. Last time we did it was 2017, and the cost was something like \$2500 or \$3000. Legally we are supposed to do it every year, but there were a couple of quiet years. Probably should put \$3,000 in the budget line this time.

Thanks Allan From: Gail Cromwell

Subject: Re: BAC Updates

I am concerned that the select board put in a last minute request for \$11,500 for repairs to the municipal building. Do they have actual bids?

Did I miss their presentation on this?

Maybe this work should be delayed a year?

On Jan 24, 2020, at 11:22 AM, Gary Scholl <gwscholl@gmail.com> wrote:

BAC

I have attached the Budget Worksheet with updates from our meeting on <u>Wednesday</u>. Note that our "Operating Budget" is down only \$90k after moving last year's HW Asphalt & Paving (\$140k) to CIP. The 2020 Budget – 2019 Actual is down less than \$25k.

Because last year's Debt service of \$38k has gone to \$0, the "Total budget" is down around \$130k.

Sharpen your pencils.

Gary,

I just saw another Primex bill for Unemployment compensation for 2020.

The contribution amount due is \$500.00 but we have a credit balance of (\$101.78) so we are paying \$398.22.
