The Minutes of December 12 meeting were approved as written.

IV. Draft report to the Select Board

We reviewed the Holiday Lighting report and proposed budget that Connie has prepared to present to the Select Board this evening. Connie will also draft a report for the 2018 Town Report.

Rob has written a proposal for permanent wiring at the perimeter of the Common with GFI protection for all outlets. It was unanimously felt that this action will enhance the use of the common for multiple town events. This second proposal is included in the Report to the Select Board

The committee recommends that the Holiday Lighting Committee become a permanent Town committee and that the Select Board include 2019 Warrant Articles for Holiday Lighting (\$1400.) and Permanent Wiring of the Common (\$2500.)
