

Budget Advisory Committee

Town of Temple, NH

Meeting Minutes

8 January 2015

1. Attendance

Following BAC members were present: Mike Davidson, Brian Kullgren, Luke Peterson, Steve Andersen (Minute Taker); Others Present: Selectman George Willard (Ex Officio). The following BAC members were absent: Cody Charron.

2. Reviewed previous meeting minutes. Unanimously passed as written.

3. Interview Road Agent Tim Fiske. Fiske did not show for meeting. Discussion of potential loader warrant article. Motion by Brian Kullgren to have BAC make recommendations on all monetary warrant articles. Seconded by Mike Davidson; vote passed. A new loader was discussed and the BAC felt the need to meet again with the road agent. The BAC feels the town would be better served with a loader/backhoe instead of just a loader. The backhoe is currently rented from Tim Fiske and, should anything change, the town would need to purchase a new backhoe. The town would end up purchasing two pieces of equipment. End of discussion on loader until road agent was present. Andersen motioned to cut asphalt paving and sand/gravel lines to \$1 until road agent brought in a breakdown of costs on line items. Seconded by Brian Kullgren; motion passed.

4. Discussion by Luke Peterson to ask if BAC was viable any longer. Andersen agreed and the board felt that the selectmen do not honor any recommendations. Consideration was made to disband BAC by warrant article.

5. Action Items:

Andersen to get asphalt numbers from Tim Fiske.

Invite road agent back to BAC.

Finish the rest of budget items.

Minutes submitted by Steve Andersen

Minutes approved by BAC: 2/3/15
