

Town of Temple, NH
Minutes of CIP Meeting
January 29, 2015

Committee Members Present: Chair Connie Kieley, Gail Cromwell, Tedd Petro, Gary Scholl

Absent: Mary Beth Ayvazian, Barry West

The Chair called the meeting to order at 2:02 p.m. After discussion of the latest information from Tim Fiske, it was voted to put the loader into the CIP for purchase in 2015 at \$159,000. The number may be revised before town meeting but for now that is the best number for planning.

The wording of the recommendation of the Police Cruiser was changed for clarity.

The short Report written for the Annual Town Report was approved with only a few minor corrections.

Gary promised a new copy of the spreadsheet and graph for inclusion in the report by Monday at the latest.

The full CIP report was approved as amended. The committee expressed their thanks to Connie for all the work she has done on both documents.

The meeting adjourned at 2:35.

Respectfully,

Gail Cromwell
