Town Gasoline: Tim Fiske, Road Agent, met with the Board, George Clark, Fire Chief was not able to attend. Fiske informed the Board that the Temple Store will not be selling gasoline after Dec. 31, 2015. The Fire Department has two vehicles that run on gasoline and the Highway Department uses gasoline for the lawn mowers, chain saws, and other small equipment. Clark has investigated obtaining gas cards at Brookside Mobil on Rte. 101 in Wilton. The plan for the FD would be to have a card in each truck that uses gasoline. The plan for the Hwy. Dept. would be to purchase a small “portable” gas tank for filling highway equipment. The Board approved further investigation of this option.

Town Hall: Fiske asked the Board where they would like to install the AED (automatic external defibrillator) that the FD has obtained for the town hall. It was decided that it should be installed in the hallway connecting the annex from the main hall.

Fiske informed the Board that he has found an LED light for the external light that shines on the flag. This is a 16 watt LED and is less intrusive than the bulb that had been installed recently.

Connie Kieley, Chair of the TTHAC, requested approval from the Board to hire LaSalle for the 2016 painting of the north side of the Town Hall. Move by Cromwell to authorize TTHAC to proceed with hiring LaSalle for the painting of the north side of the town hall, second by Caisse and voted in the affirmative.
