

Temple Town Hall Advisory Committee (TTHAC) Meeting

Final Minutes
January 30, 2017

Present: Ron Pulos, Dick Benotti, Tedd Petro, Connie Kieley

Absent: Julie Middleton, Sydney Thomas

1. The meeting was called to order at 11:02 am.

2. Discussion: Heating & Thermostat

- a. C. Kieley proposed the committee consider recommending a digital thermostat, the Nest, for the annex meeting room. The Nest has more flexibility in programming than our present thermostat and would increase energy efficiency. **Move by C. Kieley to recommend to the Select Board the purchase of a Nest Thermostat (\$250).** Seconded by D. Benotti. There was discussion regarding cost, installation and control of the system. The motion was unanimously approved.

3. Discussion: Town Hall Doors

- a. R. Pulos reviewed the estimates that D. Benotti received from Belletetes and Hamshaw. Both wood door estimates (attached below) are for the same brand & model door: 3/0X6/8 F7344U EXTERIOR DOOR, NO BORE, MORTISE HINGES, DOOR BOTTOM.
- b. D. Benotti explained that T. Fiske has offered the town Highway crew to paint & install the doors. D. Benotti further explained that the doors should be purchased immediately as T. Fiske has more time flexibility in the winter months.
- c. There was further discussion on whether to propose all three doors be replaced at this time, as opposed to replacing just the one on the south side (which presently has a shirt stuffed in it to prevent heat from escaping.) Considering how rapidly the south (church) side door deteriorated, and that the two library side doors have been showing signs of the same problem, committee members voted unanimously to recommend replacement of all three now.
- d. **D. Benotti moved that the TTHAC recommend to the Select Board that up to \$1,650 (paint and doors) be used to purchase three doors (2 on the north side and 1 on the south side) from Hamshaws to be painted and installed by the Highway Department. Seconded by R. Pulos and unanimously approved.**
The TTHAC suggests that funds available in the Town Buildings Maintenance & Repair Expendable Trust Fund be used to cover this expense.

4. Meeting adjourned at **12:01**.

Respectfully submitted,
Connie Kieley
