

NOTICE OF PUBLIC HEARING PROPOSED AMENDMENTS TO EXCAVATION REGULATIONS

**Temple Planning Board
Tuesday, November 15th at 7:10 PM
Temple Town Hall**

Pursuant to RSA 675:7, the Planning Board will hold a public hearing on proposed amendments to the Excavation Regulations.

The amendments proposed are to update the regulations to be in compliance with state regulations, for consistency with other Temple Regulations format, and to add a formal Excavation Application.

New sections include:

- Authority
- Purpose
- Amendment

Text added/removed for compliance with state regulations:

- Section 4:I adds text that requires all state and location permits relative to incidental construction be obtained prior to excavation.
- Section 4:IV adds text that cites the RSA relative to excavation from a granite quarry for the purpose of producing dimension stone.
- Section 4: VII removes text relative to excavation of more than one acre beyond the extent of an existing excavation as this is not a legal requirement.
- Section 6:I removes text relative to other hours and/or days permitted due to neighborhood conditions as this is not a legal requirement.
- Section 13:II removes text relative to a Superior Court order as this is not legal.
- Section 13:IV removes text relative to violations as this is no longer applies.

Other additions:

- A new Excavation Application.
- Section V: III adds text to address exaction vehicles traveling on roads whose conditions are not compatible with heavy equipment.

The Planning Board will vote to either continue the hearing to another date if additional changes need to be made or approve the proposed amendments at this hearing.

A full copy of the text of the proposed amendments are available for review in the Temple town office during regular office hours, Monday through Friday 9 am to 3 pm, or on the town website TempleNH.org.
