RE: ZBA Hearing May 11 for Special Exception at 173 General Miller Hwy

Dear Ms. Sliviak,

The Lukas Community has received notice of the public hearing for a special exception, requested by Marc and Kimberly Petit (Dewzen, LLC).

As an abutter, the Lukas Community welcomes our neighbors and wishes them well for their proposed CNC shop. We have no concerns with this request and support their initiative to open their business.

Sincerely,

Kristen Stanton, Executive Director  
Lukas Community
