

To the Temple ZBA,

I am writing to lend support to Ben Fisk and Ben's Sugar Shack for their new Sugar Shack and Market.

Tamora Andrews and I fully support his efforts to build on his property at the Rt 101 & Webster Highway corner. We both feel this would benefit the town as well as a Native Son of this town. It's great to see him succeed and continue to grow, as we would be of any business in town. I hope the ZBA grants him the approval. It would be great news in these difficult times for us all.
