Re: BEN'S PURE MAPLE PRODUCTS, LLC

**AFFIDAVIT OF BEN FISK CONCERNING ALAN FOX'  
PARTICIPATION AS A MEMBER OF TEMPLE PLANNING BOARD**

NOW COMES Ben Fisk and being first sworn does hereby depose and say:

1. My name is Ben Fisk and I am the owner/member and president of Ben's Pure Maple Products, LLC, ("Ben's"), now located at 83 Webster Highway.
2. Ben's has applied to the Temple Planning Board for site plan approval for our proposed maple production facility and market, having recently received a Special Exception for such use from the Temple Zoning Board of Adjustment.
3. Alan Fox is a member of the Temple Planning Board.
4. It is my strong belief that Alan Fox will not be a fair and impartial in evaluating the merits of Ben's site plan application, because of Mr. Fox' multiple expressions of personal animus toward me and my company. Alan Fox should recuse himself from sitting on our case for the following reasons:
5. Alan Fox resides with his parents, Elizabeth A. Fox and Bruce Fox at 62 Old Revolutionary Road, who actively opposed Ben's project, including the filing of a Motion for Rehearing when the ZBA made a favorable decision.
6. On at least half a dozen occasions during the past few months of this year, Alan Fox rolled down the window of his truck and shouted obscenities, usually the "f\_\_ word," at employees of Ben's Pure Maple Products who were loading or unloading a trailer truck adjacent to Ben Fisk's residence on Old Revolutionary Road.

7. Following each outburst, Alan Fox would “peel out” in his truck, speed up, and squeal the wheels of the truck and continue along the road.
  
8. On at least three occasions in recent months, including three weeks ago, Alan Fox raised his middle finger at Ben Fisk as Alan passed Ben in his vehicle. In the most recent incident, approximately three weeks ago, Ben was passing through the intersection of Route 101, Route 45 and Webster Highway, when Alan made the obscene gesture.
