TOWN OF TEMPLE
ZONING BOARD OF ADJUSTMENT
423 NH Rt 45
PO Box 191
Temple, NH 03084

June 16, 2021

Ben's Pure Maple Products LLC
83 Webster Highway
Temple, NH 03084

You are hereby notified that the application for a Special Exception submitted by Ben's Pure Maple Products, LLC has been APPROVED by vote of the Temple Zoning Board of Adjustment (ZBA). See minutes of the Board's April 29, 2021 and May 4, 2021 hearings.

The following summarizes the Special Exception requirements deemed to have been met and conditions placed on this approval:

13A Standard #1:

"The proposed use shall be set back at least five hundred feet from any existing dwelling of another owner; provided, however, that, at the discretion of the Board of Adjustment, this distance may be reduced in any amount to a minimum of two hundred feet, but only if written permission is obtained from the abutting owners affected."

Conditions: None

13A Standard #2:

"The Board of Adjustment finds that the proposed use shall have off street parking which will be ample to serve the proposed use; provided, however, that any such off street parking shall, at a minimum, be set back at least fifty-five (55) feet from all lot lines."

Conditions: None

13A Standard #3:

"The proposed use shall not adversely affect the value of adjacent property. An adverse affect on adjacent property is one which would be obnoxious or injurious or limit the use of neighborhood property by causing such problems as excessive noise, odor, smoke, refuse matter, vibration, traffic, dust, fumes, light, glare, drainage, or other conditions that are associated with the intended use but are not typical of permitted uses within the area."

Conditions:

- No tractor trailer truck parking on town roads
- No more than fifteen (15) tractor trailer trucks may access the site per day.
- Tractor trailer trucks can access the property only between the hours of 7:00 AM and 6:00 PM Monday through Friday. No tractor trailer truck access on weekends.

- No other buildings or businesses may be on the lot.
- Special events must be approved by the Select Board and Temple Greenville Police Department. Tents, including the period they are to be up, must be approved by the Select Board.

13A Standard #4:

“The proposed site shall be in an appropriate location for the use. Among the factors the Board of Adjustment will consider are: lot size, topography, soils, water resources, road access and locations of driveways, condition of existing structures and other relevant characteristics such as whether the proposed use is compatible with the surrounding land uses.”

Conditions:

- Discharge of evaporator byproduct into the aquifer must be certified by the State of New Hampshire or verified as safe by a hydrology expert.
- Existing shed on the property to be removed and existing driveways onto the property to be blocked off.
- Applicant must retain a certified commercial building inspector to assure that the construction is consistent with the application and meets Town and State of New Hampshire standards.

13A Standard #5:

“No hazardous waste shall be permanently stored on or disposed of on the property.”

Conditions: none

13A Standard #6:

“Traffic generated by the proposed use shall not present a safety hazard to the community for either vehicles or pedestrians, nor shall it cause excessive wear and tear to town roads.”

Condition: Require applicant to secure a bond to protect the Town from road damage.

13A Standard #7:

“Appropriate buffering landscaping shall be provided within the setback areas, of a type and amount deemed appropriate by the Planning Board during Site Plan Review.”

Deferred to Planning Board for Site Plan Review

Conditions: See 13A Standard #3

13A Standard #8:

“The Board of Adjustment shall, when appropriate, request a recommendation from the Planning Board, the Conservation Commission, Road Agent and/or the Health Officer concerning the proposed use.”

Conditions: None
