RE: Ben's Pure Maple Products, LLC

Dear Members of the Board:

In connection with review of the traffic impact study prepared by Mr. Pernaw, the Board should give consideration to the catchment area that Webster Highway serves for both Old Revolutionary Road and for Webster Highway extending down to the Wilton/Temple line. I wish to remind the Board that the Pony Farm has an existing special exception for large events and that in fact it is seeking to change that special exception to offer a wedding and other special event venue. Review of Mr. Pernaw's work should take into consideration those factors which are not expressed in Mr. Pernaw's work and appear either unknown to him or ignored by him.

Very truly yours,
