Subject: Rental by the Room

To: <boardassistant@templenh.org>

Dear Members of the Temple Select Board,

Please see the attached flyer (page 1, right hand column) distributed by Stepping Stones Farm and Event Center, LLC, wherein individual rooms are advertised for the June 4, 2021 event.

Up until now, it has been our understanding that the Applicant avoided having to meet a number of life safety requirements by renting the Homestead hotel and the Lodge hotel in their entirety, and not by the room.

We believe this change in marketing has significant ongoing ramifications and should be reviewed by the Board. This type of rental is not included in the current application before the Temple ZBA.

Respectfully submitted,

Arlene Laurenitis

ACCOMODATIONS

We will be staying in our historic lodge – a cozy space with cathedral ceilings, a fieldstone fireplace, and spacious front porch – which can accommodate up to 24 guests with ten bedrooms.

KEY FACILITATOR

Diana Place will be our Key Facilitator and Resident Smart Lady!

Diana has had a professional career which includes a decade in Boston with an international ad agency; ten years with America Online (AOL-Time Warner) in a leadership role during the early days of the internet culminating in a role as Senior Vice President; and four unique entrepreneurial ventures. In the early 90's, she founded a cause-marketing firm. Each of these experiences was fascinating and expanded her life and her mind. However, she never put her personal passion front and center until three years ago. The coincidence of four "lightning strike" experiences – a cancer diagnosis, loss of a business venture, her 60th birthday, and a soon-to-be empty nest, compelled her to dig deep to focus on what she truly wanted to do with her "one wild & precious life."

Diana will help guide us to figure out what WE can do with OUR lives as we reemerge from Covid!!!
