Dear Mr. Clark:

Thank you for the message you left with me. I am writing to confirm that there has not been an inspection of the "Homestead" under any Chapter of the NFPA. The only inspection that occurred on the Stepping Stones property was in connection with the lodge when it was being used as a summer camp.

I understand you will be back to me on copies or any further reports. I appreciate the phone call. If I have misstated your statement to me about the status of the "Homestead," I would appreciate your correcting me.

Thank you again.

Very truly yours,
