- NOTES:
1. Plan prepared from "Site Plan" prepared for Stepping Stones Farm, dated August 13, 2021 and prepared by Sanford Surveying and Engineering, Geographic Information System (GIS) data and basemaps provided by the New Hampshire Geographic Information System (NH GIS) and Information Transfer System (NH GRANIT) maintained by the University of New Hampshire and the NH Office of Strategic Initiatives; a 2015 aerial orthophotograph obtained from NH GRANIT.
 2. Site boundary and building locations are based on an overlay of the site features on GIS data, and the Sanford site plan. Therefore, all site features are approximately located.
 3. This plan is not to be used for survey, building or boundary purposes.
