

Help Us Plan for Temple's Future!

Temple has received a Housing Opportunity Grant from the New Hampshire Housing Finance Authority. This grant is intended to help Temple determine ways to offer diverse housing options in town, as well as bring the town's planning regulations into compliance with current statute.

A big piece of the work is finding out what residents think about housing in Temple and it starts with a survey. You can take the survey on line here

The survey will only take about 3 minutes to do.

This is just the beginning: expect to see many other opportunities to talk about possibilities for our town, including forums scheduled by the Temple Planning Board, focus groups, and other activities.

This work is funded by an award received from the InvestNH Municipal Planning & Zoning Grant Program, funded by the NH Department of Business and Economic Affairs as part of the \$100 million InvestNH Initiative with ARPA State Fiscal Recovery funds. This award will be administered jointly by NH Housing, Plan NH, and UNH Cooperative Extension.
