

TOWN OF TEMPLE  
ZONING BOARD OF ADJUSTMENT

OCTOBER 20, 2020 HEARING  
INFORMATIONAL NOTICE

The ZBA has received a request from the applicant's attorney to postpone the October 20, 2020 hearing due to the inability of one of their team members to attend due to a personal situation.

The ZBA will take this request up as the first business matter at the hearing and, if the postponement is granted, the hearing will be continued until a specified date and time.

If the hearing is postponed, the Board will likely still review documents related to the Collette case.
